**Richard Brzozowski** attended the United States Naval Academy and served in the United States Marine Corp. during the Korean War. He returned to civilian life, earned an MBA in Industrial Management at the Baruch School of the City University of New York and was inducted into Mu Gamma Honor Society. His thesis on Management Controls for the Optimization of Quality Costs was considered a challenge to the aerospace industry. During his working career, Richard was employed as an industrial quality control engineer at Bell Telephone Laboratories, Sperry Gyroscope Corporation and Grumman Aerospace Corporation. In the early 1970s, he joined the banking industry and was instrumental in implementing many industrial quality control techniques in banking

operations. Over the next twenty-five years, his career flourished in higher management level as an internal consultant for European American Bank and Israel Discount Bank. In addition, he taught statistical quality control at the State University of New York, Farmingdale Campus.

In 1999, Richard retired from active employment and became increasingly involved in community issues and activities such as: membership on the scholarship committees of the Polish and Slavic Center, Polish and Slavic Federal Credit Union and the Pulaski Association of Business and Professional Men. He also actively served on the Polish American Congress Committee to file applications for compensation to Poles impressed into slave and forced labor by Nazi Germany and currently is co-chair of the Polish-Jewish Dialogue Committee. Richard is a life member of the American Society for Quality and participates in Polonia as a Board member and founder of the Polish American Congress Long Island Division, as well as on the Boards of the PSC Community Services, Incorporated, Blue Parasol Home Care, the Polish American Museum, and Pulaski Association of Business and Professional Men. In addition, he is a member and supporter of the Polish Institute of Arts and Sciences of America, Kosciuszko Foundation, and Pilsudski Institute. On January 20, 2020, Richard celebrated his eighty-ninth birthday and continues to be active in Polonia.

Among the many awards, political, and government citations he has received, he is most proud of the "Zloty Krzyz Zaslugi" received from the President of Poland, Lech Kaczynski.

## Dear Members, Sponsors and Colleagues,

It is my great honor to welcome everyone at the 55th "Man of The Year" gala. After two years of absence caused by the Covid -19 pandemic we can finally gather in person in order to honor the legacy of Mr. Richard Brzozowski and continue the beautiful tradition of honoring the "Man of The Year". This is the most prestigious Polish-American business gala in the United States with its roots dating back to 1960.

Writing about the lifetime achievements of Mr. Richard Brzozowski could easily take couple pages of this journal but what needs to be highlighted is a fact that he embodies all of the precious virtues cherished by Pulaski Association of Business and Professional Men and the way he used them to be successful in everything he set his mind to. Whether being a soldier, engineer, banking consultant, teacher, political leader or an activist for his beloved Polonia - he was always extraordinary in his work and delivered solid results. Some of the top US companies like Grumman Aerospace Industries, Bell Telephone Laboratories, Sperry Gyroscope Corporation, European American Bank and Israel Discount Bank were lucky to have him on board. His innovations revolutionized not only companies but whole industries as he turned good things into great things with his "Midas touch" like use of his talents and wisdom. He was never selfish and shared his professional knowledge and expertise with young students by becoming a teacher at the State University of New York. As a former service man he also understood the importance of service and duty to others. Duty towards his family, his co-workers and the community that raised him. After retirement he dedicated his life to the service of Polonia as he never forgot about his heritage and culture and being born in the US he still speaks perfect Polish till today. His contributions to the Polish community include the creation of the Polish American Congress Long Island Division and significant leadership in the Polish-Jewish Dialogue Committee, Polish and Slavic Federal Credit Union, Polish American Museum, Polish and Slavic Center, PSC Community Services, Blue Parasol Home Care as well as significant support to the Polish Institute of Arts and Sciences of America, Kosciuszko Foundation, and Piłsudski Institute. At the age of 92 Richard is the oldest member of the Pulaski Association of Business and Professional Men yet he is one of the most dedicated members of the organization. He holds the position in the Executive Board and is our Sergeant-at-Arms. It's hard to recall a time when Richard was absent at our monthly meeting. With a soldier-like sense of duty he continues his service to Pulaski Association by providing great input and solutions to problems, by being the guardian of our values and most importantly being an inspiration to the the young generation of businessmen and professionals. He embodies all of the values and virtues cherished by our organization and sets a perfect exemple to all the members on how to be a gentlemen, a successful businessman, dedicated family man, respected community activist and a disciplined and valuable member of Pulaski Association of Business and Professional Men. We are fortunate and delighted to honor him as our 2022 "Man of The Year", and I want to extend my presidential congratulations to Mr. Richard Brzozowski.

The Covid 19 pandemic stalled the progress of many organization but I am proud to say that during the last two years our organization experienced rapid growth and was able to go through many positive changes. Our ranks have increased by over 20 percent as we welcomed many new members. Those extraordinary and successful leaders of business and high ranked Polish professionals of the young generation are now part of our family. Their dedication and contributions to the organization raise high hopes in ensuring a bright future for Pulaski Association of Business and Professional Men. We have welcomed our first member from Chicago as we want to fulfill the legacy set upon us by our founding fathers who wanted Pulaski Association to be a nationwide organization. We have upgraded our image by introducing a new logo and a state of the art website. We continue to support our youth through our Scholarship Program and we donate tens of thousands of dollars to Polish schools, churches, events and organizations. In 2021 our members were instrumental in erecting a new Kosciuszko Monument in Greenpoint, Brooklyn in a dedicated square next to the Kosciuszko Bridge. Our individual members continue to be involved and provide service to the Polish community with Marcin Luc becoming the 85th Grand Marshal of the Pulaski Day Parade. He will be the twelfth member of Pulaski Association of Business and Professional Men to carry this honor. Our organization has also revived a great chemistry between the old and young members who can draw from the experience and expert knowledge of their older counterparts and at the same time provide their young energy and ideas to make the organization stronger. At 63 years old the Pulaski Association of Business and Professional Men is in a good shape with a great outlook to the future.

I want to thank all of our patrons for supporting us through the years and especially those who purchased a congratulations page in our "Man of The Year Journal". A Page in our journal is a page in a history of Pulaski Association of Business and Professional Men. Your page will be archived and highlighted forever on our website. I also want to thank our banquet committee and all of the members who helped us make the 55th "Man of The Year " gala a success. I wish everyone a magnificent and memorable evening and thank you for being with us tonight.

Respectfully Yours

**Uczestnicy Gali „Człowiek Roku”,  
Członkowie The Pulaski Association  
of Business and Professional Men, Inc.**

Z okazji 55. Gali „Człowiek Roku” serdecznie gratuluję Członkom Pulaski Association of Business and Professional Men w Nowym Jorku kolejnego roku owocnej działalności.

Ta niezwykła uroczystość stanowi okazję, bym mógł wyrazić swoją wdzięczność za lata zaangażowania w integrację polonijnych środowisk biznesowych i wspieranie cennych projektów społecznych oraz kulturalnych. Wielką siłą Pulaski Business Association są nie tylko jej Członkowie – ludzie biznesu, którzy odnieśli niekwestionowany sukces, ale również cała energia, która bierze się ze współdziałania wielu tak wyjątkowych osób. Cieszę się, że te wysiłki kierowane są między innymi na inicjatywy związane z promocją Polski i Polaków w Stanach Zjednoczonych oraz cele o charakterze dobroczynnym.

Wierzę, że współpraca wzmacnia Polonię i jej możliwości kształtowania rzeczywistości. Rozwój polskich przedsiębiorstw za granicą oraz ceniona praca specjalistów stanowią najlepszą wizytówkę naszego kraju. Podobnie jak młode talenty, które dzięki stypendiom sponsorowanym przez Organizację, mogą rozwijać pasje i osiągać sukcesy w swoich dziedzinach.

Pulaski Business Association od lat jest domem dla charyzmatycznych liderów lokalnych społeczności, którzy pielęgnują pamięć o swoich polskich korzeniach. Jest to wartościowy wzorzec dla młodych Amerykanów polskiego pochodzenia wkraczających w dorosłość. Żywię więc nadzieję, że zaangażowanie dzisiejszych Członków będzie inspirować kolejne pokolenia działaczy.

Gratuluję laureatowi – Panu Richardowi Brzowskiemu – zaszczytnego i ze wszech miar zasłużonego tytułu Człowieka Roku 2022, a wszystkim Członkom Pulaski Business Association życzę sukcesów w realizacji kolejnych przedsięwzięć.

Dear friends,

Congratulations to Mr. Richard Brzozowski on being awarded the honor of the Pulaski Association of Business and Professional Men's "Man of the Year." Mr. Brzozowski's service and commitment to our community makes him eminently well deserving of this recognition.

Mr. Brzozowski has been an active member in the Polish community for over twenty years. He has served on the scholarship committees of the Polish and Slavic Center, Polish and Slavic Federal Credit Union and the Pulaski Association of Business and Professional Men. He tirelessly worked to help file applications for compensation to Poles affected by forced labor in Nazi Germany and he is currently the co-chair of the Polish-Jewish Dialogue Committee. Mr. Brzozowski's dedication to serving his community and the work he continues to do is incredibly admirable. I am thrilled to join in celebrating his honor as Man of the Year!

Thank you to The Pulaski Association of Business and Professional Men's for the work you do on behalf of our community, and congratulations Mr. Brzozowski on this exceptionally fitting award!

Sincerely,

Council Member Lincoln Restler

I guess that is why we have been around for so long!

We offer just the right products for every user—from the artist who works on canvass to the homeowner painting the den or living room and the contractor spraying protective coatings on buildings and metal structures.
