## 2024 MAN OF THE YEAR

The Pulaski Association of Business and Professional Men, Inc. cordially invites you to attend our "Man of the Year" gala testimonial banquet on April 6, 2024, honoring **Peter Pachacz**.

Peter was born in Krakow, Poland, where he completed his education in the first year of Medical Academy.

In 1982, he emigrated to the United States, and after four years at Manhattan College, he received a Bachelor of Science Degree in Biochemistry.

In spite of his previous education in 1986, he and his brother Paul started their own construction company, Cracovia General Contractor Inc., which is still in operation to the present time.

In 1991, together with their wives (Krystyna and Marta), they started their own travel business by opening Albatross Travel Agency Inc. in Greenpoint, Brooklyn. The Pulaski Association of Business and Profession Men, Inc., was his first Polish organization, where he has been actively involved.

This year, the Pulaski Association of Business and Profession Men, Inc., selected him to be "Man of the Year" for 2024. It is his profound honor to be among all those individuals throughout the 65-year history of this organization who received such a distinction.

The Pulaski Association is an organization very close to his heart. He had the honor to serve two terms as president and started the scholarship program. During all those years, the Pulaski Association honored many outstanding Polish individuals and Polish organizations.

Now, a new generation of Polish entrepreneurs is part of our organization. We are creating bridges between new and old generations so the organization can expand and become stronger while still working for Polonia.

This Gala Testimonial Banquet will take place at Russo's On The Bay, located at 62-45 Cross Bay Boulevard, Howard Beach, NY 11414. To commemorate this special occasion, a souvenir journal will be published. Banquet Reservation Forms and Advertising Contracts are enclosed, and the favor of your reply is requested no later than March 18, 2024.

The Committee wishes to extend its most heartfelt congratulations to this year's honoree, and we cordially invite all of Polonia to join us in celebrating the outstanding achievements of Peter Pachacz.
